POSITANO UPHOLSTERED COLLECTION

PRODUCT CARE: Fixed frame cover. Removable cushion covers for DRY CLEAN ONLY (strict limitation on amount of water, reduced mechanical action and low drying temperature)

PREVENTATIVE & REGULAR TREATMENT: A light weekly vacuum with the brush attachment will prevent a build up of dust in the fibres. Treat spills and stains immediately with a damp cloth. Papaya recommends using a qualified fabric protection service to apply a chemical fabric protection such as Scotchgard. For indoor use only.
