TAB165W	Dining table - white	D100xH71cm		

PRODUCT CARE : Chloe furniture pieces are easy to care for. We recommend using a pH-neutral soap and water mix to clean them day-to-day. Always ensure furniture is dried completely and that no soap residue remains on the surface. Do not use cleaners or cleaning agents that are abrasive, caustic or acidic such as bleach or ammonia as these may affect the colour of the timber or polypropylene. Keep out of direct sunlight. For indoor use only.
