TAB241	matteo nest coffee table set 2	sm – 43x42xH42cm lge 54x49xH50cm	\$695

**MATERIALS:** The Matteo tables have a composite poly resin, river sand and lava sand top. The table legs are powder coated iron.

**PRODUCT CARE:** Matteo tables are sealed and treated to protect against everyday use, however care should be taken to avoid scratching the surface by dragging heavy objects across it. We recommend the surface be protected with trivets, placemats etc to provide additional protection. For general maintenance use a damp cloth and mild soap for periodic cleaning and a colourless paraffin wax can be applied every 6 months to help maintain the surface.

**Please note:** It is important that spills and liquids are cleaned immediately. Do not use acidic cleaners or bleach as they can permanently mark the surface. Suitable for indoor use only. Extreme conditions will affect the table so consider this in its placement and keep out of direct sunlight.

**Good to know:** Assembly required on legs only. Made in Vietnam
